AGENDA ITEM SUMMARY

Subject: Consider Resolution No. 48-19 A one-year lease on farm ground located by the Water Resource Recovery Facility

Historically the City has rented farm ground located at the WPC/WRRF site at Shaw Avenue. Due to upcoming construction we cancelled the lease with Terry Wegner last fall as we anticipated the site to be under construction. Due to our delays and now that we have a better understanding of what can be farmed we'd like to offer a one-year lease to Terry Wegner for the remaining area.

The area being farmed historically has been 13 acres and the most recent agreement had an annual lease rate for the acres of \$1,710 . The available space now is just about 7.4 acres. Due to the reduced area and coordination with the WRRF construction projec I'm proposing that we lease this area based on a flat seven acres for one-year pro-rated at the same price per acre which total \$920. Terry Wegner was agreeable to this.

THE PARTIES AGREE AS FOLLOWS:

1. PREMISES AND TERM. Landlord leases to Tenant the following real estate situated in Floyd County, Iowa (the "Real Estate"):

and containing 7 (~~total~~)(tillable) acres, more or less, with possession by Tenant for a term of 1 year(s) to commence on April 15, 2019, and end on March 1, 2020. The Tenant has had or been offered an opportunity to make an independent investigation as to the acres and boundaries of the premises. In the event that possession cannot be delivered within fifteen (15) days after commencement of this Lease, Tenant may terminate this Lease by giving the Landlord notice in writing.

2. RENT. Tenant shall pay to Landlord as rent for the Real Estate (the "Rent"):
 - a. Total annual cash rent of \$ 920 payable, unless otherwise agreed, as follows: \$ 920 on April 16, 2019, \$ _____ on _____, and \$ _____ on _____, or
 - b. Crop share - _____% of corn, _____% of soybeans, and _____% of other crops raised on the Real Estate.

All Rent is to be paid to Landlord at the address above or at such other place as Landlord may direct in writing. Rent must be in Landlord's possession on or before the due date. Participation of this farm in any offered program by the U.S. Department of Agriculture or any state for crop production control or soil conservation, the observance of the terms and conditions of this program, and the division of farm program payments, requires Landlord's consent. Payments from participation in these programs shall be divided 100% Landlord 0% Tenant. Governmental cost-sharing payments for permanent soil conservation structures shall be divided 100% Landlord 0% Tenant. Crop disaster payments shall be divided 100% Landlord 0% Tenant.

3. LANDLORD'S LIEN AND SECURITY INTEREST. As security for all sums due or which will become due from Tenant to Landlord, Tenant hereby grants to Landlord, in addition to any statutory liens, a security interest as provided in the Iowa Uniform Commercial Code and a contractual lien in all crops produced on the premises and the proceeds and products thereof, all contract rights concerning such crops, proceeds and/or products, all proceeds of insurance collected on account of destruction of such crops, all contract rights and U.S. government and/or state agricultural farm program payments in connection with the above described premises whether such contract rights be payable in cash or in kind, including the proceeds from such rights, and any and

all other personal property kept or used on the real estate that is not exempt from execution. Tenant shall also sign any additional forms required to validate the security interest in government program payments.

Tenant shall not sell such crops unless Landlord agrees otherwise. Tenant shall notify Landlord of Tenant's intention to sell crop at least three (3) business days prior to sale of the crop (with business days being described as Monday through Friday, except any Iowa or federal holidays). Tenant shall pay the full rent for the crop year in which the crop is produced, whether due or not, at the time of sale pursuant to Landlord's consent to release Landlord's security interests. Upon payment in full Landlord shall release Landlord's lien on the crop produced in that crop year on the premises. The parties agree that by the Landlord releasing the lien as to the crop in one year, the Landlord in no way releases the lien or agrees to release the lien in any prior or subsequent year.

Tenant shall sign and deliver to Landlord a list of potential buyers of the crops upon which Landlord has been granted a security interest in this lease. Unless Landlord otherwise consents, Tenant will not sell these crops to a buyer who is not on the potential list of buyers unless Tenant pays the full rent due for the crop year to the Landlord at or prior to the date of sale. Landlord may give notice to the potential buyers of the existence of this security interest.

Landlord is further granted the power, coupled with an interest, to sign on behalf of Tenant as attorney-in-fact and to file one or more financing statements under the Iowa Uniform Commercial Code naming Tenant as Debtor and Landlord as Secured Party and describing the collateral herein specified. Tenant consents to the financing statement being filed immediately after execution of this Lease.

Addendum

1. A. Tenant shall grow corn or soybeans unless another type of crop is approved in writing by the City Administrator and shall keep noncultivated areas properly mowed.

B. Tenant shall make land available to the City for application of sanitary sewer sludge at times that are not damaging to the crops and in amounts that are not damaging to the crops or in violation of any applicable laws.

C. The property shall be returned to the City in tilled (plant residue plowed under) condition at the conclusion of the lease.

D. During the term of this lease, the City will be constructing new facilities for the expansion of its wastewater treatment plant on the property to the south of the Real Estate. It is the intent of the City that the construction of the facilities will not impact the Real Estate. However, in the event of unforeseen circumstances, it may be necessary for the City to access and utilize a portion of the Real Estate for construction of the new facilities or for access to and from the property to the south of the Real Estate.

In the event the City must access and utilize the Real Estate during the term of this Lease, then the City agrees to pay Tenant one-time compensation for any and all portions of the Real Estate that are taken out of commercial crop production for a season or that are removed or damaged as a direct result of the City's development of the property to the south of the Real Estate ("Crop Damage Compensation"). Portions of the Real Estate shall be deemed to have been taken out of commercial crop production only if Tenant was actually farming such portions of the Real Estate immediately prior to the City commencing development and construction. The Crop Damage Compensation shall be deemed full compensation for any losses of income, rent, business opportunities, profits, or other losses arising out of City's construction of facilities. Crop Damage Compensation shall be equal to 100% of the average crop yield (as measured by the federal crop insurance yield for the Real Estate) for the portion of the Real Estate taken out of production in the year the damage occurs multiplied by the cash price for the crop at December 1 of the year of which the crop damage occurred. Payment shall be made no later than December 31st of the year the damage took place. If less than one acre of Tenant's crops on the Real Estate is damaged by the City's activities on the Real Estate, the applicable dollar amount per acre shall be reduced proportionately. The City and Tenant shall attempt, in good faith, to agree upon the extent of damage and amount of acreage affected. If the parties cannot agree, the parties shall have the area measured and the extent of damage assessed by an impartial party chosen by mutual agreement of the parties, such as a crop insurance adjuster.

E. Tenant agrees to hold the City harmless from and indemnify the City for any and all claims and actions of any kind or nature asserted against the City arising from Tenant's use of this property.
