AGENDA ITEM SUMMARY

Subject: Designate city representatives on IAMU safety group board

Background Summary:

The city recently joined a safety group through IAMU to help coordinate safety training for city employees. A safety coordinator was recently hired to schedule and help conduct the trainings for the entities that are participating in this 28E. A board has been established that is comprised of members from each of the entities and will oversee the safety coordinator position and other pertinent matters. The city needs to designate our representative on this board. Steve Diers will be our representative with Ginny Titus being the alternate. We recommend approval of this resolution designating these representatives.
