
AGENDA ITEM SUMMARY

Subject: Consider Resolution 41-21 approving Payment Request No. 17 for the WRRF Project

Recommendation: Approve Resolution No. 41-21

Background Summary:

Work is continuing on the Water Resource Recovery Facility project. Payment Request No. 17 is in the amount of \$274,156.20. This is a smaller payment than in past months due to the extreme cold weather in February and a decrease in the equipment and material deliveries to the project site. The costs are primarily for continued work on the interior of the headworks building. FOX Engineering has reviewed the payment request and is recommending approval of the payment.

We recommend approval of Resolution 41-21 for Pay Request No. 17 for the WRRF Project.
