
AGENDA ITEM SUMMARY

Subject: Consider motion to set a public hearing on an application for the clearwell tank option

Recommendation: Approve motion to set the date and time of a public hearing

Background Summary:

The proposed clearwell tank project at the water plant is expected to be partially funded through a community development block grant. NIACOG has been selected as the grant administrator. Chris Diggins, NIACOG Local Assistance Director, will be present at the August 16th City Council meeting to lead a public hearing required for the grant application.

We will discuss additional information regarding the public hearing and grant application with the Council at the August 11th Planning Session.

We recommend approval of the motion setting the public hearing for 6:00 pm on August 16, 2021 and authorizing the City Clerk to publish the public notice.
