

A StoryWalk is a permanent display for a book walk. A book is dismembered and presented page by page on a trail. Charles City Public Library and the Friends of the Charles City Public Library have been doing book walks and “tail tales” for many years. They are well received by our patrons as a great way to enjoy nature and reading while maintaining social distance. Through private donations and grants we have raised enough funds to complete the project. The permanent storywalk will be located in Whitewater Park on the upper portion of the trail. Angled aluminum posts will be anchored into a small 2 ft by 2 ft cement pad. The posts will be spaced 20 ft apart.
