From Charles City Rotary

Santa's Shining Holiday light show

The Rotary wishes to Close the streets Blunt and Jackson around central park Saturday, November 27th, 2021 from 4-10. To allow for food trucks to set up and community safety during the lighting of Central Park.

We would also like to have no parking along The central park side of Main and Kelly Saturday, November 27th, 2021, to ensure Community safety and allow those to pass by to see the lights during the kick off event.
